

About ITAR and ECCN

All products JQL provided are for commercial application only. JQL is committed to fulfilling its International Traffic in Arms Regulations("ITAR") and Export Control Classification Number (.ECCN.) responsibilities and establishing ITAR/ECCN awareness with customers and suppliers. In order to meet this commitment, all ITAR/ECCN technical data(as defined under ITAR/ECCN) sent to JQL must be specifically marked "ITAR-controlled/ECCN" in the subject line by the sender and sent only to control@jglelectronics.com. JQL has the right to disregard any such request. In case ITAR technical data was sent to JQL without above mark, sender will resume sole responsibility of ITAR/ECCN compliance.
